Core Values

CHRIST-CENTERED MINISTRY

we orient our lives and service on the model and teaching of Jesus Christ.

RESPECT FOR DIGNITY

we respect their inherent dignity, worth, beauty, and creativity of each individual.

NURTURING RELATIONSHIPS

we believe that meaningful and nurturing relationships facilitate transformation and personal growth.

PARTICIPATION & EMPOWERMENT

we promote the participation of children in all decision concerning them, and we empower children and parents to take responsibility for their own lives.

CHILD-FRIENDLY ENVIRONMENT

we create a child-friendly environment where the children are safe and have a space to play.

CHILD-FOCUSED EDUCATION

we promote and practice education that takes into consideration the child's nature, preferences, and capacity and aims at developing the child's full potential.

LEARNING ORGANIZATION

we value a constant process of creative change, growth and learning.

Onesimo Bulilit Foundation is a faith-based, non-profit, non-governmental organization working among street children and their families in Manila, Philippines.

Onesimo Bulilit is registered with the Securities and Exchange Commission, and licensed and accredited with the Department of Social Welfare and Development as child caring and child placing agency. Its programs and services include the following:

Precious Home

The home is a safe place for sexually abused girls (6-15 years) in need of protection, healing, and recovery. The program includes therapeutic interventions, psycho-social formation, spiritual wholeness, formal and non-formal education, and recreation. The child can stay for 1-2 years at Precious home with goal of reintegration to the community or placement to adoption.

Foster Care

Children who are abandoned or cannot be reintegrated with their biological families are placed with licensed foster families. Here they experience more individualized care, love and attention necessary for their growth and development.

Onesimo Bulilit recruits and develops foster families and facilitates their licenses with DSWD. It provides ongoing monitoring, trainings, and support after a child placed with them.

Outreach and Advocacy

The team goes to the streets weekly to build relationships with street children and encourage them through games, songs, story-telling, and counseling. The children learn about their rights and are invited to the Drop-in center.

Through various creative advocacy initiatives, young people voice out their stance on children's rights, child abuse, and anti-corporal punishment.

Drop-in Center

In the Drop-in Center, vulnerable street children (6-14 years old) find a safe place during the day. Their basic needs are provided, they are taught healthy life habits, and are motivated for their schooling. In coordination with their parents or guardians, their situation is being assessed and further interventions are planned.

Educational Assistance Program

The Educational Assistance Program supports children of street families (6-18 years old) to attend formal school and perform well. Student centers offer safe venues for development like tutorials, skills enhancement, and continuous support.

Through family enrichment activities, parents are also empowered in their parenting capacity, life and leadership skills. They are organized to be actively involved in the programs and in their community.

Crisis Intervention

The crisis intervention immediately responds to the needs of walk-in individuals from our communities in desperate situations. It provides burial, medical, and transportation assistance and referrals for counseling, medical, or psychological services.

Spiritual Formation

The spiritual formation program aims at fostering holistic spiritual growth and character development of children, families and workers in coordination with various programs and services. Its services include pastoral care, devotions, journeying, life group, parents fellowships, camps and family retreats.
